Our Mission:

The mission of St. Joseph the Worker Day School is to provide and promote a healthy, inclusive, and nurturing learning environment where the child's God-given goodness is nurtured and encouraged. Our goal is to persevere and obtain a high-quality learning environment that encourages child development through a child's natural desire to explore, discover and create. We vow to appreciate the children entrusted in our care and support the bond of child, family, community and cultural diversity by encouraging positive development and growth in every child.

What Your Child Will Learn:

Your child will learn: social- emotional skills, self-help skills, creative expression, music, math and science.

Is it right for your family?

If you are looking for a structured classroom environment that makes learning fun where your child is appreciated, loved and given various opportunities to learn and grow then we hope you will call and schedule a tour to explore St. Joseph the Worker Day School. We hope to see you soon!
